ii. Executive Summary of the Annual PHA Plan

[24CFRPart903.79(r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Athens Housing Authority has completed this Agency Plan in consultation with AHA residents and the local communities. The Plan was discussed with the Resident Advisory Board on May 13, 2002. The public was afforded an opportunity to review the plan and offer comments at a public hearing held on July 9, 2002. The Annual Agency Plan is summarized as follows:

1. Housing Needs
Although the AHA's current waiting list is not excessive, the demand for public housing (43) and Section 8 (31) assistance is evident. Our greatest demand is for small to medium bedroom units (1, 2 and 3 bedroom units).
2. Financial Resources
The AHA expects to expend approximately \$3,945,000 in the year 2002 for operations, capital improvements and administrative costs.
3. Eligibility, Selection and Admission Policies
The AHA has revised its standard operating policies and Section 8 policies to comply with the requirements of the Q **HWRA** through

regulations published in the Federal Register on March 29, 2000. These policies will be updated as HUD issues further guidance.

As required under this section of the plan and by regulations published in PIH Notice 2001-4, the AHA has reviewed its developments and the census tracts in which they are located relative to income. We have determined that we do not have a problem with concentration of high or low-income families. Further, we have revised our admission policies to assure that a concentration does not occur in the future.

4. Rent Determination - Discretionary Policies

Our discretionary rent policies include:

- ✓ Ceiling/Flat Rents
- ✓ \$50.00 minimum rent for Public Housing and \$25.00 minimum rent for Section 8

5. Operations and Management

As a high performing PHA, the AHA is exempt from this component of the PHA Plan. However, the AHA's policies have been revised to comply with the mandated requirements of the QHWRA.

6. Grievance Procedure

The AHA has revised its Grievance Procedure to comply with the QHWRA and will continue to make revisions as additional issues are addressed by HUD regulations.

7. Capital Improvements

Our projected funding under the Capital Funds Program is \$800,231. Our focus for the 2002 program year is to perform kitchen renovations, repair flooring, perform interior painting, replace window sills, replace washer/dryer hook-ups, install attic fans and perform electrical upgrades in Development TN015-001; replace clotheslines and posts, perform kitchen renovations, repair flooring, perform interior painting, replace window sills, replace washer/dryer hook-ups, install attic fans and perform electrical upgrades in Development TN015-002; replace mailboxes, perform

kitchen renovations, replace washer/dryer hook -ups and perform electrical upgrades in Development TN015 -003; repair sewer lines and washer boxes/plumbing in Development TN015 -006; replace mailboxes and repair parking curbs/gutters in Development TN015-009 and install bathroom/kitchen/pantry lights in Development TN015 -010.

8. Demolition and/or Disposition

The AHA has no current plans for demolition or disposition.

9. Designation

The AHA plans to maintain the current elderly/disabled designation that applies to a portion of its units. The AHA has no plans to designate additional units in the future.

10. Conversion of Public Housing

The AHA conducted an initial conversion assessment for each development as mandated by the QHWRA through regulations published in the Federal Register on June 22, 2001. This assessment determined that conversion would not be cost effective as identified in Attachment B: "Component 10 (B) Voluntary Conversion Initial Assessments". Therefore, the AHA has no current plans to designate any developments or buildings to tenant-based assistance.

11. Homeownership

As a high performing PHA, the AHA is exempt from this component of the PHA Plan. However, the AHA has no current plans to develop a Homeownership Program.

12. Community Services and Self-Sufficiency Programs

As a high performing PHA, the AHA is exempt from this component of the PHA Plan. However, the AHA offers and provides a variety of services and programs to their residents to achieve self-sufficiency. These services and programs include an Evenstart Program, an After School Program, the Families First Program, Adult Basic Education and various services offered through United Way. Additionally, the AHA has adopted a policy

relative to the community service requirement mandated by the QHWR A through regulations published in the Federal Register on March 29, 2000. However, the HUD/VA Appropriations Act of 2002 precludes the AHA from implementing or enforcing the community service requirement in non -HOPE VI developments using FY 2002 funds until HUD issues further notice. A description of the AHA's community service requirement is shown in Attachment C: "Implementation of Public Housing Resident Community Service Requirement".

13. Safety and Crime Prevention

As a high performing PHA not participating in the previously funded Public Housing Drug Elimination Program (PHDEP), the AHA is exempt from this component of the PHA Plan. However, the AHA, in cooperation with the Athens Police Department, has implemented a Community Oriented Policing Program. This program provides supplemental police and security services for the Authority in addition to educational and community service activities.

14. Ownership of Pets

The AHA has a policy related to tenant -owned pets. This policy permits all AHA residents to own pets as mandated by the QHWR A through regulations published in the Federal Register on July 10, 2000 and subject to compliance with specific requirements of our pet policy, which is included as Attachment D: "Pet Policy".

15. Civil Rights Certification

We have included the required certification regarding Fair Housing and Civil Rights in this plan.

16. Annual Audit

Our most recent annual audit is on file at our local HUD office in Knoxville, Tennessee and is available for review at our main office during normal business hours.

17. Asset Management

As a high performing PHA, the AHA is exempt from this component of the PHA Plan. However, it is the goal of the AHA to manage our assets as efficiently as possible to meet the intent of our Mission Statement.

Attachment A

“Deconcentration Policy”

1. **Objective:** The objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the housing authority is to house no less than 40 percent of its public housing inventory with families that have income at or below 30% of the area median income by public housing development. Also, the housing authority will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the housing authority does not concentrate families with higher income levels, it is the goal of the housing authority not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The housing authority will track the status of family income, by development.
2. **Actions:** To accomplish the deconcentration goals, the housing authority will take the following actions: 1
 - A. At the beginning of each housing authority fiscal year, the housing authority will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous housing authority fiscal year.
 - B. To accomplish the goal of:
 - 1) Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of area median income, and
 - 2) No housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median income. The housing authority's Tenant Selection and Assignment Plan, which is a part of this policy, provides for skipping families on the waiting list to accomplish these goals. These guidelines may be waived when necessary to achieve or maintain full occupancy.

“Implementation of Public Housing Resident Community Service Requirements”

A. GENERAL

The Quality Housing and Work Responsibility Act of 1998 states “each adult resident of public housing must contribute 8 hours of community service per month to the community in which the family resides.” The Housing Authority must monitor the family’s compliance annually and if the family fails to comply the Housing Authority must not renew the lease unless the family and the Housing Authority enter into an agreement to bring the resident(s) current with owed hours.

B. EXEMPTIONS

The following adult members are exempt from this requirement

1. Family members who are 62 or older.
2. Family members who are blind or disabled.
3. Family members who are the primary care giver for someone who is blind or disabled.
4. Family members engaged in work activity.
5. Family members who are exempt from work activity under Part A title IV of the Social Security Act or under other State Welfare program including the welfare to work program.
6. Family members receiving assistance under a state program funded under Part A title IV of the Social Security Act or under any other State Welfare program including welfare to work and who are in compliance with that program.

C. NOTIFICATION OF THE REQUIREMENT

The Housing Authority shall identify all adult members who are apparently not exempt from the community service requirement.

The Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Housing Authority shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after 10/01/00. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

D. VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train, or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, and education. English proficiency, workfare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

Political activities are not eligible service.

E. THE PROCESS

At the first annual reexamination on or after October 1, 2000 and each annual reexamination thereafter, the Housing Authority will do the following:

1. Provide a volunteer timesheet to the family member. Instructions for the timesheet require the individual to complete the form and have a supervisor date and sign for each period of work.
2. Assign family members to a volunteer coordinator if requested who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family members as needed to best encourage compliance.
3. Thirty (30) days before the family's next lease anniversary date, the volunteer coordinator will advise the Housing Authority whether each applicable adult family member is in compliance with the community service requirement.

F. NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The Housing Authority will notify any family found to be in non-compliance of the following:

1. The family member(s) has been determined to be in non-compliance;
2. That the determination is subject to the grievance procedure; and
3. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

G.OPPORTUNITYFORCURE

The Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the time stay current with that year's community service requirement. The first hour a resident earns goes toward the current commitment until the current year's commitment is made.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service by more than three (3) hours after three (3) months, the Housing Authority shall take action to terminate the lease.
